

Minutes of the Annual General Meeting held in the
Hortons Hall on Monday, 26th June, 1978

Mr. Gaska reported he had advertised the meeting locally
and in the Oxford Journal; despite this only a few
members of the public were present.

The Chairman gave a resume' of the
Committee's work over the past ~~four~~ years (1974)
since ~~they~~ had taken over the administration of the Hall.
He said the Committee was small but very
hard working. The building needs a lot of
maintenance. Improvements have been carried
out. New curtains have been obtained and
roofs which had been pulled to pieces have
been replaced.

Chairs in Committee room have been replaced
new Cutlery, crockery, floor polish & cleaner
had been purchased.

Bottom of large window had been walled in
thus conserving heat, gates had trebled. The
exterior had been repointed twice, low level
roof refelted. The roof had been a source
of worry but this had now been resolved.

Unfortunately this had been a very expensive item amounting to over £1000. Floor had been sealed at a cost of £157, but this was a great improvement.

Play Group was very successful. Due to cut backs this was now carried on by a group of ladies and we received rent from them.

The Chairman thanked a very good Committee for all their help and expressed his regret at the loss of one member during the last year.

Chairman's

Agreed minutes of last meeting.

Secretary's

A letter had been received from the Parish Council about the car park. It was agreed no approach should be made for a grant to put on rates. It was not so much money needed but physical help. For the past 12 years Kingo had contributed greatly to finances.

Report.

The question of heating was raised especially for the small children attending the Play Group. Mr. Seaman said it was not good enough in

in winter, when the Hall was opened in the morning it was freezing in there. The Chairman thought children would run around and get wet and he thought the heating adequate. It was agreed some convectors needed repairing and possibly more could be supplied.

It was agreed priority should be given to the car park, and the Chairman hoped this could be within the next nine months.

Accounts

Chairman reported accounts not yet audited. It was agreed to adopt them.

Election of Officers.

Chairman Mr. Jaskel Proposed Mr. Bleehan

Seconded Mrs. Turner

Secretary Mrs. Dean Proposed Mrs. Turner

(minutes)

Seconded Mrs. Phillips

Treasurer (acting Mr. Jaskel).

Vice Chairman Mr. Horsington Proposed Mrs. Turner

Seconded Mrs. Phillips

Committee. Re-elected en bloc.

Mr. Horsington proposed Committee meetings be held more frequently. Chairman said the

Committee could get together before Bingo every week, and this worked very well.

A.O.B.

At the request of Mrs. Hargidge the chairman gave list of fees charged for use of Hall.

Mrs. Strington said she would like to thank the ladies who ran the Bingo.

J. F. Tanker.
Chairman
