Apologies from Mr. A. Jones. No apologies  
from Mauston Saints representatives.

Minutes of last meeting adopted.

Matters arising. Nothing had been done about a  
telephone for the Play Group. They felt it would  
be vandalised.

### Chairman's Report.

Chairman said this had been a bad year.  
We had lost Baby Welfare, Beauticians  
had given up, & our bookings were down.  
Hall was now 18 years old. 160 seats  
had been recovered but still wear out.  
Glass windows let in water and spirit floor  
these had since been removed and wall'd up.  
A 12 in slit, caused by a knife, on the  
roof cost £300 to repair. Light outside  
had been ripped out, a large window had been broken  
also covekery, £70 insurance had been paid.

Cleaning and maintenance costs were high. The rent received from the Play group was probably lower than it might be.

However there were several regular bookings at Bingo. The Chairman would like to thank the very hard working Committee for their help in running the Bingo.

The Parish Council Clerk usually audits the books at very little cost, but we might get this free in future.

### A. O. B.

Reference was made to the untidy state of the car park and the large puddles. Mr. Jaskie suggested a free load of gravel would be helpful. Mr. H. C. Jones promised to

check up on rates to see ~~about~~ a reduction.  
Mr. Jones thanked Mr. Tasker for his hard  
work and said he thought things looked  
quite good and hoped the new year would  
be even better.
